TRUE DIMENSIONAL SOUND

WELCOME TO MAGNATONE

Welcome to the proud family of Magnatone owners. We are excited to have you join this group that consists of the world's great guitarists — including iconic players of yesterday and today — who have masterfully used Magnatone's True Dimensional Sound to create a trademark sound all their own.

The Super Fifteen amplifier is designed to give you a portable and powerful amplifier in a unique and authentic package. The amp begins with 12AX7 front end coupled with an EL84 power section. Two inputs are provided, low and high gain. This configuration delivers full bodied clean tones and natural overdrive, all while letting you dial in the "chime." The master volume delivers a classic British crunch at any volume. The compensated line out and headphone jack provide recording and silent practice solutions.

The Super Fifteen has plenty of muscle to gig with and performs with a range of tone never thought possible.

WARRANTY

All Magnatone amplifiers are warranted to the original purchaser to be free of defects in materials and workmanship for three years from the date of purchase, providing that:

- The purchaser emails (register@magnatoneusa.com) or mails a photocopy of the original purchase receipt to Magnatone Amplifiers within thirty days of purchase.
- Problems are not the result of normal wear, misuse, abuse, user error, shipping damage, tampering, circuit modification, improper voltage, improper tube installation (incorrect orientation of the tubes can damage the amp), spilled beverages, or attempt to repair by purchaser or a non-authorized service center; any of these will void the warranty.
- The amplifier is shipped to Magnatone Amplifiers or an authorized Magnatone Service Center in the original packing materials, or materials of equal quality, with freight paid by the purchaser. (**Note**: if the amplifier failed within thirty days of use, shipping will be reimbursed to purchaser by Magnatone, less any transaction fees incurred by purchaser).

Tubes, speakers, and reverb tanks carry a ninety-day warranty and are subject to the same terms and conditions as stated above.
